

KDX ARCHITECTURAL WINDOW FILM

KDX-innovation green technology
window films, city & life care.

It is architectural window film combined with multi layers of magnetron sputtering precious nano coating PET basic materials or with precise metal coating PET basic materials. And it is also high-performance, thermal insulated, and energy-saving as well.

It also has the following important functions:

- Thermal insulation
- Heat preservation
- Energy saving
- Ultraviolet protection
- Electron radiation protection
- Safety protection
- Privacy
- Dazzle light decrease
- Scratch prevention
- Elegance
- Decoration

2017 KDX Window Film Sales Kit
